Dear Chief Ralar:

Greetings in pursuit of academic excellence!

I am **Kirby Christian C. Claro**, a second-year student, is taking up the Bachelor of Science in Computer Engineering (BSCPE) program at the Polytechnic University of the Philippines. I want to express my sincere desire to apply for an On-The-Job (OJT) training program in your office.

In partial fulfillment of my degree's requirements, I must take up **CMPE 205 – On-The-Job Training 1**, a course subject with a minimum of three-hundred (300) hours of training. This aims to complement the concepts and theories we have learned and to develop our full potential through exposure to the actual field work of computer engineering.

Please see my attached resume for additional information. Thank you for your kind consideration of my application.

Respectfully yours,

Kirby Christian C. Claro
